We have an exciting summer camp planned for your young men. They will be enjoying seven (7) weeks of awesome opportunities to learn more about who they are using culturally relevant text, STEM activities, dialogue, field trips and other interesting activities. We have a great lineup of facilitators and mentors.

We will hold a parent/son information session on Friday, May 6 from 5:30 p.m.-7 p.m. (earlier times on that day will be by appointments). Your next step is to go to our website and either download the application or fill it out online and submit. We are accepting fifteen (15) young men to take advantage of this awesome opportunity. Therefore, it is extremely important that you submit a completed application with the \$25, nonrefundable application fee.

Thanks to a grant from the City of Savannah we will be able to offer partial or full scholarships to individuals who live within the city limits of Savannah. All other participants will pay \$65 for the 7 week sessions.

GROWING INTO MANHOOD summer camp is for young men ages 11-16. Currently, we have 7 families who have submitted letters of intent to participate. I encourage you to enroll early.

Our theme this year is “THIS IS ME”. Our young men will work on becoming, self-aware, socially-aware, responsible decision makers, building healthy relationships and having self-control.

Best regards,

Dr. Gertrude Robinson
Program Coordinator

Mission: Male students will be prepared to master rigorous curriculum and develop skill sets to effectively interact with peers, community and the global society.
